Department of Computer Science and Informatics

CST291-2 / IIT271-2 Project I

Guidelines for the Progress Presentation and Evaluation Methods

You will be given 20 minutes for each presentation including Q & A,

- 15 minutes for presentation
- 5 minutes for Q & A

Areas you need to focus on during the presentation

- Introduction (Project Description)
- Aims/Objectives
- System design diagrams(UML diagrams, ER diagrams)
- Progress of the Project development (Demonstration - (Half of the proposed major modules have to be finished and working))
- Future works
- Individual Contribution
- Group members

The interim presentation is scheduled for both **CST** and **IIT** students on **25th July 2022**. Every group member should present.

Evaluation Criteria

• Introduction (background, Scope, and Objectives) – 5mark
• Well defined requirements – 10 mark
• High-level System Design - 15 mark
• Implementation – 25 mark
• Future Plan – 5 mark
• Quality of the Presentation - (Flow and organization of the presentation, Time management, Communication skills, Personality/Appearance) - 10 mark
• Q & A – 5 mark
• Individual Contribution – 10 mark
• Report – 15 mark
